## **Part IV - Method 4 – Intermediate: Lifestyle Health Counselor Certificate**

“The only hope of better things is in the **education of the people** in right principles. Let physicians teach the people that restorative power is not in drugs, but in nature.

**Disease is an effort of nature to free the system from conditions that result from a violation of the laws of health.** In case of sickness,

- ☐ **The cause should be ascertained**
- ☐ **Unhealthful conditions should be changed**
- ☐ **Wrong habits corrected**

Then nature is to be assisted in her effort to expel impurities and to re-establish right conditions in the system.” Ministry of Healing, 127 - <http://www.whiteestate.org/books/mh/mh.asp>
