### **We need to prepare now – not when we appear before the Court**

“Between the laws of men and the precepts of Jehovah will come the last great conflict of the controversy between truth and error. Upon this battle we are now entering—a battle not between rival churches contending for the supremacy, but between the religion of the Bible and the religions of fable and tradition. The agencies which have united against truth are now actively at work. God’s Holy Word, which has been handed down to us at so great a cost of suffering and bloodshed, is little valued.

There are few who really accept it as the rule of life. Infidelity prevails to an alarming extent, not in the world only, but in the church. Many have come to deny doctrines which are the very pillars of the Christian faith. The great facts of creation as presented by the inspired writers, the fall of man, the atonement, the perpetuity of the law—these all are practically rejected by a large share of the professedly Christian world....

....Thousands who pride themselves on their knowledge regard it as an evidence of weakness to place implicit confidence in the Bible, and a proof of learning to cavil at the Scriptures and to spiritualize and explain away their most important truths.

Christians should be preparing for what is soon to break upon the world as an **overwhelming surprise, and this preparation they should make by diligently studying the word of God and striving to conform their lives to its precepts.** The tremendous issues of eternity demand of us something besides an imaginary religion, a religion of words and forms, where truth is kept in the outer court. God calls for a revival and a reformation." Prophets and Kings, 625, 626

### Self-Representative in the Court of Law

#### Decree Enforcing the Institution of the Papacy: Sunday

"By the decree enforcing the institution of the papacy in violation of the law of God, our nation will disconnect herself fully from righteousness. When Protestantism shall stretch her hand across the gulf to grasp the hand of the Roman power, when she shall reach over the abyss to clasp hands with spiritualism, when, under the influence of this threefold union, our country shall repudiate every principle of its Constitution as a Protestant and republican government, and shall make provision for the propagation of papal falsehoods and delusions, then we may know that the time has come for the marvelous working of Satan and that the end is near....

....God has revealed what is to take place in the last days, that His people may be prepared to stand against the tempest of opposition and wrath. Those who have been warned of the events before them are not to sit in calm expectation of the coming storm, comforting themselves that the Lord will shelter His faithful ones in the day of trouble.

We are to be as men waiting for their Lord, not in idle expectancy, but in earnest work, with unwavering faith. It is no time now to allow our minds to be engrossed with things of minor importance. While men are sleeping, Satan is actively arranging matters so that the Lord's people may not have mercy or justice. The Sunday movement is now making its way in darkness....

....The leaders are concealing the true issue, and many who unite in the movement do not themselves see whither the undercurrent is tending. Its professions are mild and apparently Christian, but when it shall speak it will reveal the spirit of the dragon.

It is our duty to do all in our power to avert the threatened danger. We should endeavor to disarm prejudice by placing ourselves in a proper light before the people. We should bring before them the real question at issue, thus interposing the most effectual protest against measures to restrict liberty of conscience."
