Second Part of the Great Commission – Heal the Sick

“And these signs shall follow them that believe; In my name shall they cast out devils; they shall speak with new tongues; They shall take up serpents; and if they drink any deadly thing, it shall not hurt them; they shall lay hands on the sick, and they shall recover.” Mark 16:17, 18

City Evangelism – The Essential Work at this Time

“There is no change in the messages that God has sent in the past. **The work in the cities is the essential work for this time.** When the cities are worked as God would have them, the result will be the setting in operation of a **mighty movement such as we have not yet witnessed.** God calls for self-sacrificing men [and women] converted to the truth to let their light shine forth in clear, distinct rays....

The **principles of health reform** are to be promulgated as a part of the work in these cities. The **voice of the third angel’s message** is to be heard with power. Let the teachings of health reform be brought **into every effort** made to get the light of truth before the people. Let workers be selected who are qualified to teach the truth wisely in clear, simple lines. Let us not wait before beginning this work until all the way is made clear. Faith says, **Move forward.** **Christ says, “Lo, I am with you alway, even unto the end of the world.”**

Through the Venues of Restaurants – Treatment Rooms - City and Country Living

“The closing message of the gospel is to be carried to “every nation, and kindred, and tongue, and people.” Revelation 14:6. In foreign countries many enterprises for the advancement of this message must yet be begun and carried forward. **The opening of hygienic [vegan] restaurants and treatment rooms, and the establishment of sanitariums [health centers in the country]** for the care of the sick and the suffering, is just as necessary in Europe [and abroad] as in America.

In many lands, medical missions are to be established to act as God’s helping hand in ministering to the afflicted. **Christ cooperates with those who engage in medical missionary work....** Those who visit these institutions will be benefited **physically, mentally, and spiritually**—the weary will be refreshed, the sick restored to health, the sin-burdened relieved.... from those whose hearts are by these agencies turned from the service of sin unto righteousness, will be heard **thanksgiving and the voice of melody**. By their songs of grateful praise a testimony will be borne that will win others to allegiance and to fellowship with Christ.” Counsels on Health, 215 - https://egwwritings.org/?ref=en_CH.¶=20.3355

Only Work Under the Sunday Law – Gospel Medical Missionary Work

“As religious aggression subverts the liberties of our nation, those who would stand for freedom of conscience will be placed in unfavorable positions. For their own sake they should, while they have opportunity, become intelligent in regard to disease, its causes, prevention, and cure. And those who do this will find a field of labor anywhere. There will be suffering ones, plenty of them, who will need help, not only among those of our own faith, but largely among those who know not the truth. The shortness of time demands an energy that has not been aroused among those who claim to believe the present truth.” Medical Ministry, 321
