Restoring the Creator's Worship Using the Rules of Universal Laws Illustrated through the Rules of Scientific Evidence and Precedent

Rules of Universal Laws

- “The Creator teaches by the enunciation of principles, or Universal Laws and the Holy Spirit which comes by faith, enlightens our five senses that we may grasp the illustrations of these laws in the physical world through applied sciences and other observable methods such as the sanctuary.”
- Living Fountains or Broken Cisterns, 59, E. A Sutherland, 1900, Edited

Rules of Evidence

- “The basic rule of evidence which forms the starting point for all else is, “all evidence relevant to a **fact** in issue is admissible unless there is a legal [scientific] reason for excluding it”. (1)

Rules of Evidence and Precedent

- The implementation of scientific evidence and precedent to ascertain the Biblical Calendar Reckoning is done by using: astronomy, mathematics, chronology, history and sanctuary knowledge. It is computed by combining a sum of data, techniques, methods and processes in the accomplishment of objective, scientific, physical investigation and **accurate, reliable** results in order to draw consistent conclusion.
- Applied Sciences and the Sanctuary illustrate the Creator's Universal Laws or Principles which all harmonize one with another.
- The Rules of Scientific and Physical Evidence and Precedent **vindicate the Creator's Infinite Intelligence** who enunciated these rules.

Rules of Precedent

- “A form of proceeding serving as an authoritative **rule** and **pattern** in future similar or analogous cases.” (2)

□ First Rule of Evidence – Sanctuary – Types and Anti-Types

- The types relating to the first advent of Christ have been fulfilled – Court and Holy Place – Spring Feasts
- The types which relate to the second advent must be fulfilled – Most Holy Place – Fall Feasts

Restoring the Creator's Worship Based on Rules of Evidence

□ First Rule of Evidence – Sanctuary – Types and Anti-Types – Spring Feasts

“The types relating to the first advent of Christ had been fulfilled. The slaying of the **Passover** lamb was a shadow of the death of Christ. Says Paul, “Christ our passover is sacrificed for us.” 1 Corinthians 5:7. The sheaf of **first-fruits**, which at the time of the Passover was waved before the Lord, was typical of the resurrection of Christ. Paul says, in speaking of the resurrection of the Lord, and of all his people, “Christ the first-fruits; afterward they that are Christ’s at his coming.” 1 Corinthians 15:23.

Like the wave-sheaf, which was the first ripe **grain** [Barley - **Unleavened Bread**] gathered before the harvest, Christ is the first-fruits of that immortal harvest of redeemed ones that at the future resurrection shall be gathered into the garner of God. **These types were fulfilled, not only as to the event, but as to the time.** On the fourteenth day of the first Jewish month, the very day and month on which, for fifteen long centuries, the passover lamb had been slain, Christ, having eaten the passover with his disciples, instituted that feast which was to commemorate his own death as “the Lamb of God, which taketh away the sin of the world.”

That same night he was taken by wicked hands, to be crucified and slain. And as the antitype of the wave-sheaf, our Lord was raised from the dead on the third day, “the **first-fruits** of them that slept,” 1 Corinthians 15:20. a sample of all the resurrected just, whose “vile body” shall be changed, and “fashioned like unto his glorious body.” Philippians 3:21.”

The Great Controversy, 399.

□ First Rule of Evidence – Sanctuary – Types and Anti-Types – Fall Feasts

Most Holy Place

- Trumpets
- Day of Atonement
- Tabernacles

“In like manner, the types which relate to the second advent must be fulfilled at the time pointed out in the symbolic service. Under the Mosaic system, the cleansing of the sanctuary, or the great day of atonement, occurred on the tenth day of the seventh Jewish month, Leviticus 16:29-34, when the high priest, having made an atonement for all Israel, and thus removed their sins from the sanctuary, came forth and blessed the people.

So it was believed that Christ, our great High Priest, would appear to purify the earth by the destruction of sin and sinners, and to bless his waiting people with immortality. The tenth day of the seventh month, the **great day of atonement**, the time of the cleansing of the sanctuary, which in the year 1844 fell upon the 22nd of October, was regarded as the time of the Lord's coming. This was in harmony with the proofs already presented that the 2300 days would terminate in the **autumn**, and the conclusion seemed irresistible.” The Great Controversy, 399.

□ Second Rule of Evidence – Facts Connected with the Crucifixion

“While the people were assembling at Jerusalem to celebrate the Passover, He, the antitypical Lamb, by a voluntary act set Himself apart as an oblation. It would be needful for His church in all succeeding ages to make His death for the sins of the world a subject of deep thought and study.

Every fact connected with it should be verified beyond a doubt. It was necessary, then, that the eyes of all people should now be directed to Him; the events which preceded His great sacrifice must be such as to call attention to the sacrifice itself. After such a demonstration as that attending His entry into Jerusalem, all eyes would follow His rapid progress to the final scene.” *Desire of Ages*, 571.

“For even Christ our Passover is sacrificed for us.” 1 Corinthians 5:7

Abib in Hebrew
means: **Barley is ripe**

Fact 1. Christ's Crucifixion Fulfills **Leviticus 23:1- 22**
as confirmed in the 4 Gospels and the book of Acts.

Christ:

- Died – First Month – Abib 14 – **Passover**
- Rested – First Month – Abib 15 – **Unleavened Bread**
- Resurrected – First Month – Abib 16 – **Firstfruits**
- Sent the Holy Spirit – Third Month – 9th day – **Pentecost**

□ Second Rule of Evidence – Facts Connected with the Crucifixion

Fact 2. Christ Fulfilled **Exodus 12** and the 4 Gospels

- Triumphant entry in Jerusalem the **9th of the 1st month**
- Christ was selected to die: the **10th day of the 1st month** or Abib – **Barley is ripe** - Desire of Ages, 569.3, 593.2
- Christ died on: the **14th day** of Abib
- Christ died at: the hours of the **evening sacrifice**
- Christ died at: the 9th hour: **3 - 6 p.m.**
- Christ died at: at the Feast of **Passover** – not a Sabbath
- Christ rested on: the Feast of **Unleavened Bread** always a **7th day Sabbath** the **15th** of Abib
- Christ resurrected at: Feast of **Firstfruits** the **16th** of Abib – not a Sabbath

Fact 3. Biblical Calendar: **New Moon Phases**

- “The Hebrew Feast period began with the month of barley harvest; and its paschal moon, or moon of Abib, was the appointed **moon of barley harvest**.”
- The Passover was numbered ‘according to the moon’, that is, the days of the **month** were the **same** as the days of the **moon**. Indeed the Hebrew word ‘hodesh’ for month, means ‘new’ moon.
- It was the actual [**horned crescent**] new moon, not any fictitious new moon that regulated the great festivals, for it was an ‘observed moon.’” The Grace Amadon Collection, Part V, Crucifixion Date, 29, 4, 38.

Fact 4. Biblical Calendar: Calculation of New Moon Phases

- “If we accept the testimony of Aristobulos, 200 years before Christ -- that the Passover followed the sunset of the day when the full moon rising in the east faces the setting sun in the west -- we can reasonably conclude that the Passover, which is repeatedly described in the Bible as **the 14th day of Abib** [first Biblical Month] **was** [and is] **the day following the full moon date and not on it** [or was] the ‘day after the evening when the moon stands diametrically opposed to the sun, as everyone can see at the time of full moon.’” The Grace Amadon Collection, Part V, Crucifixion Date, 29, 4, 38.

Fact 5. Biblical Calendar: **New Moon – Full Moon Reckoning**

- The Full Moon in AD 31, was on April 25th, obtained from USNO data in 2008 a Wednesday corresponding to Abib 13th, changing to 14th at sunset. (The AD 31 Calendar is also available in the Grace Amadon Collection).
- The evening of April 25th corresponded to the Last Supper and the night in the garden of Gethsemane – **moon broad and full**.
- At sunset, **Thursday, April 26th** – Roman reckoning, was Abib 14th Hebrew reckoning, the day of the crucifixion.
- That day, Christ died at the 9th hour, between 3 to 6 p.m. corresponding to the hour of the evening sacrifice, Abib 14th.
- The same evening at sunset, Christ rested in the tomb - Abib 15th.
- Christ rested on Unleavened Bread, Abib 15th and 7th day Sabbath.

Fact 6. Christ rested on 7th Day Sabbath

- Christ rested on the Creation Sabbath, Abib 15th, the 7th day Sabbath and Feast of Unleavened Bread.
- Christ resurrected the first day of the week Abib 16th.
- Christ fulfilled the Calendar, Biblically, Astronomically, Chronologically and Historically.
- Passover is always the day after sunset of the full moon and not on it.
- The New Moon Horned Crescent is the only phase of the moon which fulfilled Exodus 12 – Passover on the 14th of Abib – First Month.
- The Rabbinical Jews today ascertain the Passover to be on the Full Moon using the first visible crescent as the New Moon and reckon the Passover 'evening' as the 15th of Abib instead of the 14th of Abib 'evening sacrifice – 9 hour or 3-6 pm' according to Exodus 12:6.

“The Moon only takes **27.3 days** to complete **one orbit around** the **Earth**.

So why is a lunar month more than **2 days** longer than the orbit of the Moon? A lunar month is the amount of time it takes for the Moon to get from a specific phase, like a **new moon**, back to the same phase. In other words, the **Moon** has to get back to the point in its orbit where the **Sun** is in the **same position** from our point of view.

Since the **Moon is going around the Sun with the Earth as part of its orbit**, the Moon has to catch up a little bit on each orbit. It takes **2.2** additional days each orbit of the Moon to catch up.”

27.3 + 2.2 = **29.5** days making it a month of 29 days

□ Eighth Rule of Evidence – The Great Controversy

- “From the very beginning of the great controversy in Heaven, it has been Satan’s purpose to overthrow the law of God. It was to accomplish this that he entered upon his rebellion against the Creator; and though he was cast out of Heaven, he has continued the same warfare upon the earth. To deceive men, and thus lead them to transgress God’s law, is the object which he has steadfastly pursued. Whether this be accomplished by casting aside the law altogether, or by rejecting one of its precepts, the result will be ultimately the same. He that offends “in one point,” manifests contempt for the whole law; his influence and example are on the side of transgression; he becomes “guilty of all.” James 2:10.
- In seeking to cast contempt upon the divine statutes, Satan has perverted the doctrines of the Bible, and errors have thus become incorporated into the faith of thousands who profess to believe the Scriptures. The last great conflict between truth and error is but the final struggle of the long-standing controversy concerning the law of God. Upon this battle we are now entering,—a **battle between the laws of men and the precepts of Jehovah, between the religion of the Bible and the religion of fable and tradition.**”
The Great Controversy, 582.

□ Ninth Rule of Evidence – Millerites Movement Completed

“And there shall be no more curse: but the throne of God and of the Lamb shall be in it; and his servants shall serve him: And they shall see his face; and his name shall be in their foreheads. And there shall be no night there; and they need no candle, neither light of the sun; for the Lord God giveth them light: and they shall reign for ever and ever.” Revelation 22:3, 4.

- “The great controversy is ended. Sin and sinners are no more. The entire universe is clean. One pulse of harmony and gladness beats through the vast creation. From Him who created all, flow life and light and gladness, throughout the realms of illimitable space. From the minutest atom to the greatest world, all things, animate and inanimate, in their unshadowed beauty and perfect joy, declare that God is love.” The Great Controversy, 678.

- “The Man with the dirt brush then placed on the table a casket, much larger and more beautiful than the former, and gathered up the jewels, the diamonds, the coins, by the handful, and cast them into the casket, till not one was left, although some of the diamonds were not bigger than the point of a pin. He then called upon me to “come and see.”

I looked into the casket, but my eyes were dazzled with the sight.

They shone with ten times their former glory. I thought they had been scoured in the sand by the feet of those wicked persons who had scattered and trod them in the dust. They were arranged in beautiful order in the casket, every one in its place, without any visible pains of the man who cast them in. I shouted with very joy, and that shout awoke me.” Early Writings, 83, William Miller's Dream

A Mighty Movement

“The angel who unites in the proclamation of the third angel’s message is to lighten the whole earth with his glory. **A work of world-wide extent and unwonted power is here foretold.**”

The **Advent Movement** of 1840-44 was a glorious manifestation of the power of God; the first angel’s message was carried to every missionary station in the world, and in some countries there was the greatest religious interest which has been witnessed in any land since the **Reformation of the sixteenth century**; but these are to be exceeded by the **mighty movement** under the last warning of the third angel.”
