Mazzaroth: Strategic Planning to Resolve the Crisis of All Ages

“The plan of redemption had a yet broader and deeper purpose than the salvation of man. It was not for this alone that Christ came to the earth; it was not merely that the inhabitants of this little world might regard the law of God as it should be regarded; but it was to vindicate the character of God before the universe.” Patriarchs and Prophets, 68.

“Thou hast said in thine heart, ...I will exalt my throne above the stars of God.... I will be like the Most High.” Isaiah 14:13, 14. Though all his glory was from God, this mighty angel [Lucifer] came to regard it as pertaining to himself....

...To dispute the supremacy of the Son of God, thus impeaching the wisdom and love of the Creator, had become the purpose of this prince of angels.” Patriarchs and Prophets, 36.

“And there was war in heaven: Michael and his angels fought against the dragon; and the dragon fought and his angels, And prevailed not; neither was their place found any more in heaven. And the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceiveth the whole world: he was cast out into the earth, and his angels were cast out with him.” Revelation 12:7-9.

“Thou hast defiled thy sanctuaries by the multitude of thine iniquities, by the iniquity of thy traffick; therefore will I bring forth a fire from the midst of thee, it shall devour thee, and I will bring thee to ashes upon the earth in the sight of all them that behold thee.” Ezekiel 28:18.

I. Part 1. Book of Nature – His Works – Creation

“The heavens declare the glory of God; and the firmament sheweth his handywork. Day unto day uttereth speech, and night unto night sheweth knowledge.

There is no speech nor language, where their voice is not heard.

Their line is gone out through all the earth, and their words to the end of the world.

In them hath he set a tabernacle for the sun,

Which is as a bridegroom coming out of his chamber, and rejoiceth as a strong man to run a race.

His going forth is from the end of the heaven, and his circuit unto the ends of it: and there is nothing hid from the heat thereof.” Psalm 19:1-6, KJV.

I. Part 2. Book of the Law – His Word – Redemption

“The law of the LORD is perfect, converting the soul: the testimony of the LORD is sure, making wise the simple.

The statutes of the LORD are right, rejoicing the heart: the commandment of the LORD is pure, enlightening the eyes.

The fear of the LORD is clean, enduring for ever: the judgments of the LORD are true and righteous altogether.

More to be desired are they than gold, yea, than much fine gold: sweeter also than honey and the honeycomb. Moreover by them is thy servant warned: and in keeping of them there is great reward.

Who can understand his errors? cleanse thou me from secret faults.
Keep back thy servant also from presumptuous sins; let them not have dominion over me: then shall I be upright, and I shall be innocent from the great transgression.

Let the words of my mouth, and the meditation of my heart, be acceptable in thy sight, O LORD, my strength, and my redeemer.” Psalm 19:7-14, KJV.

I. Part 1. Book of Nature: His Works

Part 2. Book of the Law: His Word

The Structure of Psalm 19 as a whole:
 A | v. 1-4. The Heavens.
 B | v. 4-6. “In them” (סֶהֱרָ the Sun.)

The Structure of Psalm 19 as a whole:
 A | v. 7-10. The Scriptures.
 B | v. 11-14. “In them” (סֶהֱרָ Thy Servant.)

“Their sound went into all the earth (γῆ) and their words (ῥήματα, their teaching, message, instruction) unto the ends of the world (οἰκουμένη).”

What words? What instruction? Whose message? Whose teaching? There is only one answer, and that is, THE HEAVENS! This is settled by the fact that the passage is quoted from Psalm 19, the first part of which is occupied with the Revelation of God written in the Heavens [concrete – Laws of Nature], and the latter part with the Revelation of God written in the Word [abstract – Universal Laws].

This is the simple explanation of this beautiful Psalm. This is why its two subjects are brought together. It has often perplexed many why there should be that abrupt departure in verse 7—“The law of the Lord is perfect, converting the soul.”

The fact is, there is nothing abrupt in it, and it is no departure. It is simply the transition to the second of the two great Revelations which are thus placed in juxtaposition. The first is the Revelation of the Creator, El, אֱלֹהִים in His Works, while the second is the Revelation of the Covenant of Jehovah, יְהוָה in His Word. And it is noteworthy that while in the first half of the Psalm, El is named only once, in the latter half Jehovah is named seven times, the last being threefold (LORD, Rock, and Redeemer), concluding the Psalm.”

I. Book of Nature – Book of the Law – True Education

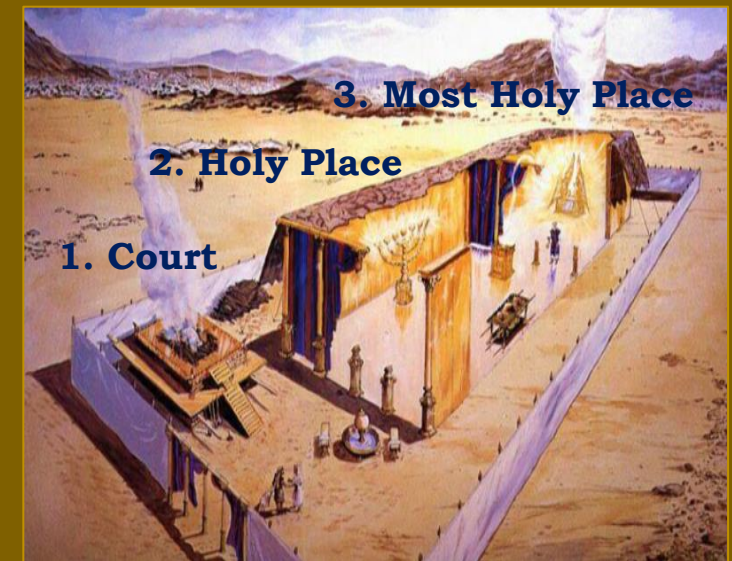

....In the ‘Key to the Psalms’, p. 17, it is pointed out that the terms employed in A and B [verses 1-6] are astronomical, while in A and B [verses 7-14] they are literary. Thus the two parts are significantly connected and united.

When we read the whole passage and mark its structure, and note the words employed, we are emphatically told that the heavens contain a revelation from God; they prophesy, they show knowledge, they tell of God's glory, and set forth His purposes and counsels.”

- This research demonstrates the connection and unity of all the prophecies in the Mazzaroth as fulfilled by Messiah through the most complete, connected and harmonious system of truth of the Bible: the Sanctuary.
- These prophecies are – the First Coming of Messiah: His birth, death on the cross, resurrection, ascension to heaven, His works in the Court, Holy and Most Holy Place and His Second and Third Coming.
- These Universal Laws are illustrated through the Mazzaroth and the Biblical Synchronisms and Chronology.
- It connects the Woman of Revelation 12 with the final events of Earth's History and the Bride and the Bridegroom – the 144000 and the Son of Righteousness – the Ultimate Vindication of the Character of God through the Plan of Redemption and His people as witnesses.

Creation – Redemption – True Education Are One

II. Part 1. The 3 Books in the Mazzaroth: His Works – Creation Part 2. The 3 Compartments in the Sanctuary: His Word – Redemption

This section is divided in 2 Parts:

- Part 1. The 3 Books in the Mazzaroth: His Works – Creation
- Part 2. The 3 Compartments in the Sanctuary – Redemption – Great Controversy – Vindicating His Character

Part 1. The 3 Books in the Mazzaroth: His Works – Creation

- This research includes the 12 Cardinal and 36 Decan Constellations for a total of 48 Constellations. It explains the purpose of each book and the meaning of the Cardinal and Decan Constellations.

Part 2. The 3 Compartments in the Sanctuary – Redemption – Great Controversy – Vindicating His Character

- This research connects the 3 Compartments of the Sanctuary and their significance in the Plan of Redemption with the Mazzaroth through the prophecies already fulfilled and other prophecies still to be fulfilled.
- We are reminded that “The intercession of Christ in man’s behalf in the sanctuary above is as essential to the plan of salvation as was his death upon the cross. By his death he began that work which after his resurrection he ascended to complete in Heaven.” The Great Controversy, 489.
- This statement from the Pen of Inspiration, supported by the 3 compartments in the sanctuary, discards the erroneous teaching that “everything was finished at the cross.”
- Though the Sacrificial Offerings were finished or fulfilled at the cross (Daniel 9:27), it does not discard Christ’s ministerial work of Continual Atonement in the Court, Perpetual Intercession in the Holy Place and Final Atonement and Final Intercession in the Most Holy Place. The Mazzaroth illustrates these facts.
- The main objective of this research with its Historical and Present Day applications is to Vindicate the Character of God and show the Way to eradicate the Great Controversy by becoming God’s Witnesses.
- “*Ye are my witnesses....I am he that blotted out thy transgressions for my own sake.*” Isaiah 43:10, 12, 25.

II. Part 1. Structure of the 3 Books of the Mazzaroth: His Works – Creation Part 2. The 3 Compartments in the Sanctuary: His Word – Redemption

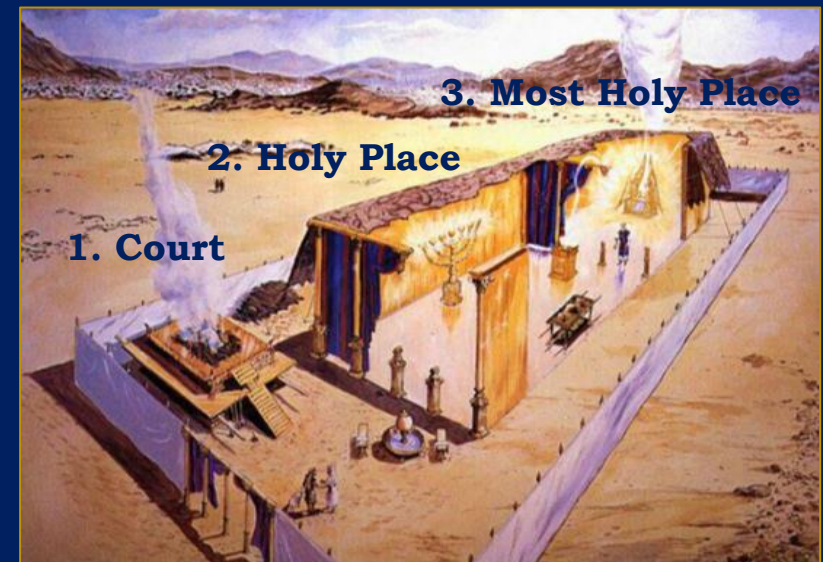

“In the first chapter of the First Book of the Mazzaroth we have the same Blessed One presented as “a corn [grain] of [Barley – Firstfruits] and Wheat.” Here we see Him come to “die,” and hence not abiding alone, but bringing forth “much fruit” [Exodus 9:31, 32 – Revelation 14:3, 4, 15 – Barley – 144000 and Wheat – the Great Multitude – Revelation 7:9; 14:17; 1 Corinthians 15:23; Matthew 13:39] – John 12:24.

The living fish proceeds from the dying goat, and yet they form only one body [Capricornus – Ghedi]. That picture, which has no parallel in nature, has a perfectly true counterpart in grace; and “a great multitude, which no man can number,” have been redeemed and shall obtain eternal life through the death of their Redeemer.

It is, however, not merely the actual death which is set before us here. The first chapter in each book has for its great subject the Person of the Redeemer in prophecy and promise. The last chapter in each book has for its subject the fulfilment of that prophecy in victory and triumph, in the Person of the Redeemer; the two central chapters in each book are occupied with the work which is the accomplishment of the promise, presented in two aspects—the former connected with grace, the latter with conflict [of the Ages]....

Barley – Wheat

Exodus 9:31, 32 – “And the flax and the **barley** was smitten: for the barley was in the ear, and the flax was bolled. But the **wheat** and the rie were not smitten: for they were not grown up.” **First Prophecy.**

Note: Barley ripens in Israel by the second week of April or 1st Biblical month – **Passover – Unleavened Bread**
Wheat ripens in Israel around end of May – beginning of June or 3rd Biblical month – **Pentecost** – Leviticus 23

144000 – Barley

Revelation 14:3, 4, 15 – “And no man could learn that song but the **hundred and forty and four thousand**, which were redeemed from the earth....These were redeemed from among men, being the firstfruits unto God and to the Lamb.... And another angel came out of the temple, crying with a loud voice to him that sat on the cloud, Thrust in thy sickle, and reap: for the time is come for thee to reap; for the harvest of the earth is ripe”

Second Prophecy.

Note: First harvest of Revelation 14:15 to ripen and be harvested is the 144000 – Barley – the **Firstfruits**

1 Corinthians 15:23 – “**Christ** the firstfruits; afterward they that are Christ's at his coming.” **Third Prophecy**

Great Multitude – Wheat

Revelation 7:4 – “And I heard the number of them which were sealed: and there were sealed an hundred and forty and four thousand.” **Fourth Prophecy.**

Revelation 7:9; 14:17– “After this I beheld, and, lo, a **great multitude**, which no man could number, of all nations, and kindreds, and people, and tongues, stood before the throne, and before the Lamb.... And another angel came out of the temple which is in heaven, he also having a sharp sickle.” **Fifth Prophecy.**

John 12:24 – “Verily, verily, I say unto you, Except a corn of **wheat** fall into the ground and die, it abideth alone: but if it die, it bringeth forth much fruit.” **Sixth Prophecy.**

Note: Second harvest is the wheat – the great multitude – Matthew 13:39 – **Trumpets – Atonement – Tabernacles**

II. Part 1. Structure of the 3 Books of the Mazzaroth: His Works – Creation Part 2. The 3 Compartments in the Sanctuary: His Word – Redemption

....The structure of each of the three books consists of [the repetition of a group of words in reverse order], having for its first and last chapters the Person of the Redeemer (in “A” in Prophecy; in “A” in Fulfilment), while in the two central chapters we have the work and its accomplishment (in “B” in grace; and in “B” in conflict.) The Great Controversy Introduced and Finalized – To Vindicate the Creator’s Character.

It is thus presented – Including the 3 Sanctuary Compartments
First Book – Court – Early Rain – Kingdom of Grace – 1st Coming

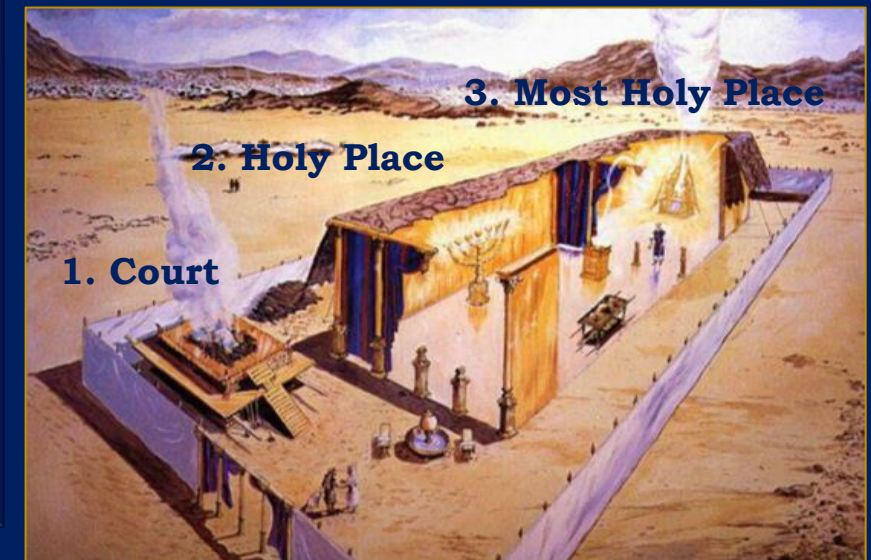

- A | Virgo – Bethulah – The Prophecy of the Bruised Seed
- B | Libra – Mozanaim – The work accomplished – in grace
- B | Scorpio – Aqurav – The work accomplished – in conflict
- A | Sagittarius – Keshet – The fulfilment of the promised victory

Second Book – Holy Place – Early Rain – Kingdom of Grace – Heaven

- C | Capricornus – Ghedi – The Prophecy of the Promised Deliverance
- D | Aquarius – Deli – Results of the work bestowed – in grace
- D | Pisces – Dagim – Results of the work enjoyed – in conflict
- C | Aries – Toleh – Fulfilment of the Promised Deliverance

Third Book – Most Holy Place – Latter Rain – Kingdom of Glory

- E | Taurus – Thaur – Prophecy of the coming Judge of all the earth
- F | Gemini – Teomaim – Redeemer's reign – Grace/Glory – 2nd Coming
- F | Cancer – Sartan – Redeemer's possession – Safe from all conflict
- E | Leo – Aryeh – Fulfilment of the promised Triumph – 3rd Coming

III. Part 1. Mazzaroth – Planisphere – Aries or Virgo Part 2. Mazzaroth – Sanctuary Connection

“The popular beginning of the Mazzaroth – Planisphere in the past and today, is with Aries – Toleh, the Ram and concludes with Pisces – Dagim. But comparing this Revelation with that which was afterwards written “in the Volume of the Book,” Virgo – Bethulah is the only point where we can intelligently begin, and Leo – Aryeh is the only point where we can logically conclude....

....Beginning, then, with Virgo, let us now spread out the contents of this Heavenly Volume, so that the eye can take them in at a glance.

The pictures are ancient, and have come down to us from primitive times....

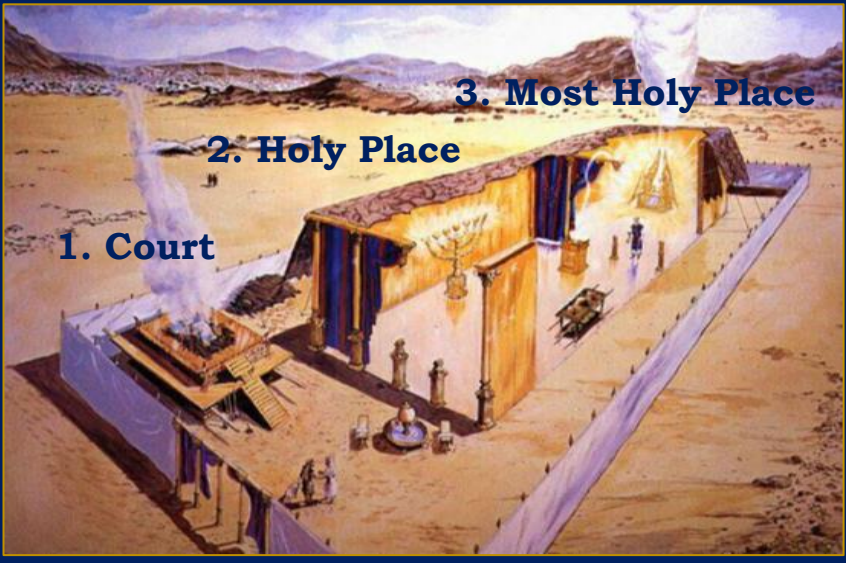

<https://www.gutenberg.org/files/49018/49018-h/49018-h.html#toc329>
– p. 20, 22, edited

....After the Revelation came to be written down in the Scriptures, there was not the same need for the preservation of the Heavenly Volume. And after the nations had lost the original meaning of the pictures, they invented a meaning out of the vain imagination of the thoughts of their hearts, [namely, Astrology – Spiritualism].

The Greek Mythology is an interpretation of only some of the signs and constellations after their true meaning had been forgotten. It is popularly believed that Bible truth is an evolution from, or development of, the ancient religions of the world. But the fact is that they themselves are a corruption and perversion of primitive truth!”

Scorpio: made up by extrapolating stars (dots)

- Biblical Geography of the Heavens Based on the Creator’s Universal Laws
- Ecliptic Line – Path of the Sun and Planets

“Their **line** is gone out through all the earth, and their words to the end of the world. In them hath he set a tabernacle for the sun, which is as a bridegroom coming out of his chamber, and rejoiceth as a strong man to run a race. His going forth is from the end of the heaven, and his circuit unto the ends of it; and there is nothing hid from the heat thereof.” Psalm 19:4-6.

“Who hath laid the measures thereof, if thou knowest? or who hath stretched the **line** upon it?” Job 38:5

The ecliptic **line** is an extrapolated **line** in the sky made up of the 12 Cardinal constellations which marks the annual path of the sun and planets. The moon travels the ecliptic line North and South monthly.

In astronomy, a planisphere is a star chart analog computing instrument in the form of two adjustable disks that rotate on a common pivot. It can be adjusted to display the visible stars for any time and date. It is an instrument to assist in learning how to recognize stars and constellations. Planispheres are available for the North and South hemispheres.

III. Part 1. Mazzaroth – The Number and the Names of the Stars – Showdown Part 2. Mazzaroth – Sanctuary Connection

“It is a remarkable fact that it is in the Book of Job, which is generally allowed to be the oldest book in the Bible, if not in the world, that we have references to this Stellar Revelation. This would be at least 2,000 years before Christ. In that book the signs of the Mazzaroth – Zodiac (The Way) and the names of several stars and constellations are mentioned, as being ancient and well-known.

■ In Isaiah 40:26 we read:

“Lift up your eyes on high,
And see who hath created these,
That bringeth out their host by number:
He calleth them all by name;
By the greatness of His might,
And for that He is strong in power,
Not one is lacking.”

■ We have the same evidence in Psalm 147:4

“He telleth the number of the stars;
He giveth them all their names.”

Here is a distinct and Divine declaration that the great Creator both numbered as well as named the stars of Heaven.

■ The Stellar Revelation in Job 9:9, “Which maketh Arcturus (the Bear), Orion, and Pleiades, and the chambers of the south.” (Margin, Hebrew – Ash, Cesil, and Cimah.)

■ Job 38:31, 32: “Canst thou bind the sweet influences (cluster) of the Pleiades (margin, the seven stars, Hebrew, Cimah), or loose the bands of Orion (margin, Hebrew – Cesil)? Canst thou bring forth Mazzaroth (margin, the twelve signs.) (‘the twelve signs’; and margin, the signs of the Zodiac) in his season? or canst thou guide Arcturus with his sons (the Bear with her train; and margin, Hebrew, sons).”

III. Part 1. Mazzaroth – The Number and the Names of the Stars – Showdown Part 2. Mazzaroth – Sanctuary Connection

Isaiah 13:10 – “The stars of heaven and the constellations thereof.”

Amos 5:8 – “Seek him that maketh the seven stars (the Pleiades) and Orion.”

Then we have the term “Mazzaroth,” Job 38:32, and “Mazzaloth,” 2 Kings 23:5.

The former in both versions is referred to the Twelve Signs of the Zodiac, while the latter is rendered “planets,” and in margin, the twelve signs or constellations. Others are referred to by name. The sign of “Gemini,” or the Twins, is given as the name of a ship: Acts 28:11, Διόσκουροι, (Castor & Pollux).

Most commentators agree that the constellation of “Draco,” or the Dragon (between the Great and Little Bear), is referred to in Job 26:13: “By His Spirit He hath garnished the heavens; His hand hath formed the crooked serpent.” (margin – fleeing or gliding). – Isaiah 27:1 “In that day the LORD with his sore and great and strong sword shall punish leviathan the piercing serpent, even leviathan that crooked serpent; and he shall slay the dragon that is in the sea.”

This word “garnished” is peculiar. In Psalm 16:6, it is rendered goodly: “I have a goodly heritage.” In Daniel 4:2, it is rendered: “I thought it good to show,” referring to “the signs and wonders” with which God had visited Nebuchadnezzar.

It appears from this that God “thought it good to show” by these signs written in the heavens the wonders of His purposes and counsels, and it was by His Spirit that He made it known; it was His hand that coiled the crooked serpent among the stars of heaven.”

- The Ancient designated list appoints the Creator as having given the names of the 48 ancient constellations
- The additional 40 constellations were created, listed, introduced and adopted:
 - by Dutch celestial cartographers (c. 1592–1614)
 - by Johannes Hevelius after 1687
 - by Nicolas-Louis de Lacaille after 1756
- “In contemporary astronomy, 88 constellations are recognized. Each constellation is a region of the sky. Together they cover the entire celestial sphere, with their boundaries adopted officially by the International Astronomical Union (IAU) in 1928 and published in 1930.” https://en.wikipedia.org/wiki/IAU_designated_constellations
- As declared in Isaiah 40:26 and Psalm 147:4 – the Ancient of Days numbered and called the constellations of the Mazzaroth by names.
- The Ancient 12 Cardinal identified in red and the 36 Decan Constellations identified in blue are edited and numbered 1-48 as numbered and named by the Creator – the 40 constellations are not numbered in the IAU List or the Edited one.
- The 12 Cardinal Constellations are not in the order they appear on a monthly basis but are in alphabetical order in the IAU list.
- The 40 Constellations are a man-made addition and they are not approved by the Creator – Warning!
- Note: The editing of the IAU list of 88 Constellations is for educational purposes only.

- International Astronomical Union – 40 Constellations – Grape Harvest – the Tares – Wheel Within a Wheel
- The 40 Constellations named by IAU are a type of those who believe they can be saved by their own works. Their number and names are not written in the Book of Life (Mazzaroth) and they are found ‘wanting’ in the Judgment.
- The 40 Constellations of IAU fulfil the prophecy of the fall harvest of Sour Grapes (Vines) in Revelation 14:18-20 and the Tares in Matthew 13:25-38.
- Biblical Synchronism of the Number 40 Relates to: Unbelief – Testing – Punishment – Temptation
- 40 days of Rain – Flood – Genesis 7:12 – Unrepentant – Noah preached for 120 years – 120 = Multiple of 12 x 10

- Number 6 in the Creator’s Numerology is the number representing Man – created being – Isaiah 14:16
- 666 – Means Failure upon Failure upon Failure of a Man – Lucifer is called a ‘Man’ – created being – Isaiah 14:16
