INTRODUCTION

THE SANCTUARY AND... is a working tool to help you understand the Sanctuary, the human body, the mind and much more. Prepared as a file system easy to use for the beginner or the more advanced, this work of research and discovery does not pretend to supply all the information and data on the sanctuary and the body. Its primary purpose is to encourage further and greater personal or group discoveries.

ABOUT NUMBERS 1317

Using Biblical and biological themes, Numbers 1317 has combined more than thirty years of Biblical study, mainly on the sanctuary and the health message. Adding years of training in chemistry, biochemistry, anatomy, physiology, pathology, massotherapy, interior decorating, lay evangelism, literature evangelism and medical missionary work in more than thirty countries around the world, Numbers 1317 School of Training, wants to increase in its students their love for Biblical Truth, the Spirit of Prophecy and for the Great Chemist of the mind and Decorator of the soul.

PURPOSE

"To magnify the law of God (His Character) and to make it honorable" in presenting the purpose of Creation, of Redemption and of Education: to restore in man the image of his Maker, to bring him back to the perfection in which he was created, to promote the development of body, mind and soul. Education, p. 15.

To repair the breach made by religions and the medical field, in bringing back the sanctuary and the human body side by side: "Know ye not that ye are the temple of God, and that the Spirit of God dwelleth in you?" 1 Corinthians 3:16. During his ministry, Jesus devoted more time to healing the sick than to preaching. Ministry of Healing, p. 19.

God as presented in this work, is a real God, the Lord of hosts as described by the prophet Isaiah: "Sanctify the LORD of hosts himself; and let him be your fear, and let him be your dread. And he shall be for a sanctuary." Isaiah 8: 13, 14.

SUGGESTED MATERIAL

- Bible (different versions for comparison purposes)
- English, Hebrew and Greek Concordance English dictionary
- Bible Companion Set (Spirit of Prophecy Books)
- Other resources: books on history, anatomy, physiology, pathology, audio-visual aids.

HOW TO USE THIS MATERIAL

- Each file contains an illustration or photo to open the research. When used in a group, each participant should have access to the files. After praying, introduce the theme and share a few words of encouragement or simply enter directly into the subject.
- Allow each one to express their point of view or to ask questions on the subject; the Biblical verses and the references from the Bible Companions Series are given to guide the study. It is also recommended to search for additional references. There are many ways to interpret the Bible but there is only one that God approves: "To the law and to the testimony. If they speak not according to this Word, it is because there is no light in them." Isaiah 8:20

REMEMBER

"Man was the crowning act of the creation of God, made in the image of God, and designed to be a counterpart of God" Review and Herald, June 18, 1895.

HOW TO USE THIS PROGRAM OF RESEARCH AND DISCOVERY

INDIVIDUALLY: Prepared as a file system, this program includes photos, illustrations, references and much more, to allow each individual person to pursue his/her own research and discovery. Adopting the way of a chemist or a biologist, different elements are submitted in each document to allow the Bible to become its own interpreter and to draw the right conclusions. (Isaiah 28:13). Each file can be analyzed, studied, and researched in order to understand and appreciate its theme. Although the table of contents is chronologically ordered, each file can be studied separately.

IN SMALL GROUPS: This program has been prepared to be used also in small groups, sitting around a table, each participant having his/her files, the Bible, an English, Hebrew and Greek Concordance (to research a complementary verse or to find the root and meaning of a word) and the Bible Companions (called as such to identify the Spirit of Prophecy books of E. G. White). These small groups can be organized in a house

setting and can reach all ages, young and old without exception.
