Chapter 56—Help for Mission Fields

“There is a burden upon my soul in regard to the destitute mission fields. There is aggressive work to be done in the missions near us; and there is great need of funds for advancing the work in foreign fields. Our foreign missions are languishing. The missionaries are not sustained as God requires. For want of funds, workers are not able to enter new fields.

All around us are souls perishing in their sins. Every year thousands upon thousands are dying without God and without hope of everlasting life. The plagues and judgments of God are doing their work, and souls are going to ruin because the light of truth has not been flashed upon their pathway. But how few are burdened over the condition of their fellow men. The world is perishing in its misery; but this hardly moves even those who claim to believe the highest and most far-reaching truth ever given to mortals.

God requires His people to be His helping hand to reach the perishing, but how many are content to do nothing. There is a lack of that love which led Christ to leave His heavenly home and take man’s nature, that humanity might touch humanity and draw humanity to divinity. There is a stupor, a paralysis, upon the people of God which prevents them from understanding what is needed for this time.

Chapter 56—Help for Mission Fields

....God's people are on trial before the heavenly universe; but the scantiness of their gifts and offerings, and the feebleness of their efforts in God's service, mark them as unfaithful. If the little that is now accomplished were the best they could do, they would not be under condemnation; but with their resources they could do much more. They know, and the world knows, that they have to a great degree lost the spirit of self-denial and cross bearing.

God calls for men to give the warning to the world that is asleep, dead in trespasses and sins. He calls for freewill offerings from those whose hearts are in the work, who have a burden for souls, that they shall not perish, but have everlasting life. Satan is playing the game of life for the souls of men. He is seeking to secure means, that he may bind it up, so that it shall not be used in advancing the missionary enterprises. Shall we be ignorant of his devices? Shall we allow him to stupefy our senses?"
