A Mighty Movement

“There is no change in the messages that God has sent in the past. The work in the cities is the essential work for this time.

When the cities are worked as God would have them, the result will be the setting in operation of a mighty movement such as we have not yet witnessed.

God calls for self-sacrificing men [and women] converted to the truth to let their light shine forth in clear, distinct rays. “
Medical Ministry, 304.

Go Forward

“The principles of health reform are to be promulgated as a part of the work in these cities. The voice of the third angel’s message is to be heard with power. Let the teachings of health reform be brought into every effort made to get the light of truth before the people. Let workers be selected who are qualified to teach the truth wisely in clear, simple lines.

Let us not wait before beginning this work until all the way is made clear. Faith says, Move forward. Christ says, “Lo, I am with you alway, even unto the end of the world.” Go on, step by step, departing not from that spirit of sanctification through the truth which the presence of the Spirit of God and obedience to the truth will give....

God has declared that sanitariums [health centers] and hygienic restaurants should be established for the purpose of making known to the world His law. The closing of our restaurants on the Sabbath is to be a witness that there is a people who will not for worldly gain, or to please people, disregard God’s holy rest day. These restaurants are to be established in our cities to bring the truth before many who are engrossed in the business and pleasure of this world.” Medical Ministry, 304, 306.

7. Overhead and Markup

- Overhead and Markup are calculated to establish the cost of goods to be sold
- Important in order to remain in business
- **Overhead:** all costs encountered to obtain the goods: transportation, time, delivery, mail, etc. – **21%** is recommended for **OH**
- **Markup:** profit made on sale of goods – **30%** is recommended for **MU**

- How to Calculate Cost of Goods to be Sold:

Natural Remedies	Costs	Total
Clay	5.00 per box	
Overhead – 21%	1.05 =	6.05
Markup – 30% x	6.05 =	+ <u>1.82</u>
Total		7.87

- **Note:** $1.05 + 1.82 = 2.87$ belongs to your business
- You may decide to decrease or increase the OH and MU.
Then you decrease or increase the overhead and markup which is your profit.

Work the Cities – Live in the Country

“We should be preparing working centers in rural districts, from which to work the city.” *Medical Ministry*, 305.

“Agriculture is the ABC of industrial education.

If we will move forward with faith in God, He will fulfill His word to us. We have no time to lose, for wickedness in the cities is reaching a terrible pass.

The night is coming in which no man can work.” *Manuscript Release*, Vol. 2, 74.
