● Connection – True Education – 7th Day Sabbath – Generation144k – Health Message

“The importance of the Sabbath as the memorial of creation is that it keeps ever present the true reason why worship is due to God,” because he is the Creator, and we are his creatures. “The Sabbath therefore lies at the very foundation of divine worship; for it teaches this great truth in the most impressive manner, and no other institution does this. The true ground of divine worship, not of that on the seventh day merely, but of all worship, is found in the distinction between the Creator and his creatures. This great fact can never become obsolete, and must never be forgotten.”

It was to keep this truth ever before the minds of men, that God instituted the Sabbath in Eden; and so long as the fact that he is our Creator continues to be a reason why we should worship him, so long the Sabbath will continue as its sign and memorial. Had the Sabbath been universally kept, man’s thoughts and affections would have been led to the Creator as the object of reverence and worship, and there would never have been an idolater, an atheist, or an infidel.

The keeping of the Sabbath is a sign of loyalty to the true God, “him that made heaven and earth, and the sea, and the fountains of waters.” It follows that the message which commands men to worship God and keep his commandments, will especially call upon them to keep the fourth commandment.”

The Great Controversy, 437.

- Make sure everyone gets to know and choose the Creator of the 7th Day Sabbath by:
- Teaching Creation in Genesis 1 and 2
- Identifying all the Universal Laws in Genesis 1
- Comparing them to the Physical Laws of Sciences – Astronomy – Physics – Chemistry – Mathematics and more – <https://144000teachers.org/generation-144k/>

- Obedience to the 8 Laws of Health prepares the body and the mind to Obey the 10 Commandments, more specifically the 4th Commandment
- True Education then leads to the observance of the True Creation Sabbath and True Worship 5

● Connection – False Education – Sunday Observance Global Compact on Education from the Vatican – 2020 – 2030

● What are we learning from History?

1. Was education ever to be legislated by federal or world civil and church governments combined?

“The system of education instituted at the beginning of the world was to be a model for man throughout all aftertime. As an illustration of its principles a model school was established in Eden, the home of our first parents. The Garden of Eden was the schoolroom, nature was the lesson book, the Creator Himself was the instructor, and the parents of the human family were the students.”

Education, 21.

2. Who decides what is the Curriculum of a Global World System of Education?

“The laws and operations of nature, and the great principles of truth that govern the spiritual universe, were opened to their minds [Adam and Eve], by the infinite Author of all.”

Education, 22.

● Connection – Education – Sunday Law

3. Is it in line with the Principles of True Education?

“To restore in man the image of his Maker, to bring him back to the perfection in which he was created, to promote the development of body, mind, and soul, that the divine purpose in his creation might be realized – this was to be the work of redemption. This is the object of education, the great object of life.” Education 15.

4. Are Education and Religion connected?

- True education leads to the 7th day Sabbath Observance
- False education leads to Sun-day Observance

5. Will Global Compact on Education be mandatory?

- As the movement becomes universal, it will be declared mandatory – Read Revelation 13.

6. If not followed, will Global Compact on Education involves fines, imprisonment – precedent with homeschoolers – courts of law?

Those who forget history are condemned to repeat it. Read the book The Great Controversy.

Global Compact on Education – Vatican – Looking beyond

On Thursday, October 15, 2020 at 2.30 p.m. (Rome) Pope Francis [did] once again address the theme of education, which is central to his teaching and dialogue with the world. He [did] do so with a video message, which is both a summary - of what was suggested on the theme during his pontificate - and a program: because, as Francis has repeatedly said, "to educate is an act of hope".

At the end of the Message, Pope Francis [did] suggest that all people of good will join the Global Compact on Education, a pact to encourage change on a global scale, so that education may become a creator of fraternity, peace, and justice. An even more urgent need in this time scarred by the pandemic."

● Ye shall Know my Breach of Promise

“Beware lest any man spoil you through philosophy and vain deceit, after the tradition of men, after the rudiments of the world, and not after Christ.”
Colossians 2:8

“For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.”
Ephesians 6:12.

"Never has the world seen such an enduring system as the papacy [Roman Catholic Church - Vatican]. Patterned so nearly after the truth of God, and resembling so closely, both in church government and educational principles, the plan delivered to the chosen nation, that only an expert, guided by the Spirit of truth, could judge between the true and the counterfeit; it had, as had the Jews before them, replaced the life by the mere form.... So firmly laid was the foundation, and so substantially built were the walls, that for centuries it baffled all attempts at overthrow....

This structure had as its foundation an educational system; the mortar which held the bricks in the walls was its educational methods, and should the building fall, the foundation itself must be attacked.”
Living Fountains or Broken Cisterns, 215.

The only way to overthrow the papacy is to destroy its:
Foundation = its Educational System
Mortar which holds the Bricks together = its Methods.
It can only be destroyed by upholding True Education.

● What is the Real Purpose of:
The Global Compact on Education from the Vatican – 2020 – 2030

Pope Francis' Purpose of the Global Compact on Education is for:

“All people of good will to join the Vatican by making a pact to encourage change on a global scale, so that education may become a creator of fraternity, peace, and justice – ‘an act of hope’. An even more urgent need in this time scarred by the pandemic, he added.”

<https://www.educationglobalcompact.org/en/>

The Pope is using Covid 19 - a sickness a pandemic – as a tool for the people to join his Global Compact on Education: He has become a SJW – A Social Justice Warrior and his target are the sick and those in great needs – for his own gain: Rev. 13.

God's Purpose of True Education:

“To restore in man the image of his Maker, to bring him back to the perfection in which he was created, to promote the development of body, mind, and soul, that the divine purpose in his creation might be realized – this was to be the work of redemption. This is the object of education, the great object of life.” Education 15.

Christ is using True Education to perform His wonderful plan of:
Redemption
Restoration
Re-creation of the human race.
He has bought us to give us Eternal Life.

“Now, as never before, we need to understand the True Science of Education. If we fail to understand this, we shall never have a place in the kingdom of God.” Christian Educator, August 1897.

“In the highest sense the work of education and the work of redemption are one, for in education, as in redemption, “other foundation can no man lay than that is laid, which is Jesus Christ. 1 Cor. 3:11” Education, 30.

“As religious aggression subverts the liberties of our nation, those who would stand for freedom of conscience will be placed in unfavorable positions.

For their own sake, they should, while they have opportunity, become intelligent in regard to disease, its causes, prevention, and cure. And those who do this will find a field of labor anywhere.

There will be suffering ones, plenty of them, who will need help, not only among those of our own faith, but largely among those who know not the truth.” Counsels on Health, 506.

First day of Creation:

“In the beginning God created the heaven and the earth. And the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters.

And God said, Let there be light: and there was light.”

A serene night scene of a beach. In the foreground, a small, light-colored boat with a dark interior is beached on the sand. The ocean waves are gently lapping at the shore, creating white foam. The sky is dark, and a large, bright full moon is visible in the upper right quadrant, casting a soft glow over the scene. The overall atmosphere is calm and contemplative.

For God, who commanded the light to shine out of darkness, hath shined in our hearts,
To give the light of the knowledge of the glory of God in the face of Jesus Christ.

That the excellency of the power
May be of God, and not of us.

Persecuted, but not forsaken; cast down, but not destroyed.”
