Question 1:

Where in the Bible do we find the first sermon on the immortality of the soul? Who gave that sermon?

Answer:

Support your answer with Scriptures.

- **Read the text and draw your answers**

“The great original lie which he told to Eve in Eden, “Ye shall not surely die,” was the first sermon ever preached on the immortality of the soul. That sermon was crowned with success, and terrible results followed. He has brought minds to receive that sermon as truth, and ministers preach it, sing it, and pray it.” Testimony to the Church, Volume 1, 342.

(10) From 13:00 – 13:15

Duration: **15** min.

Question 2:

Were the Angels and Adam and Eve created immortal?

Answer:

Support your answer with Scriptures.

- **Read the text and draw your answers**

“Immortality, promised to man on condition of obedience, had been forfeited by transgression. Adam could not transmit to his posterity that which he did not possess; and there could have been no hope for the fallen race, had not God, by the sacrifice of his Son, brought immortality within their reach. While “death passed upon all men, for that all have sinned,” Christ “hath brought life and immortality to light through the gospel.” [Romans 5:12; 2 Timothy 1:10.] And only through Christ can immortality be obtained. Said Jesus, “He that believeth on the Son hath everlasting life; and he that believeth not the Son shall not see life.” [John 3:36.] Every man may come in possession of this priceless blessing if he will comply with the conditions. All “who by patient continuance in well-doing seek for glory and honor and immortality,” will receive eternal life. [Romans 2:7.]” The Great Controversy, 533.

(11) From 13:15 – 14:00

Duration: **45** min.

Question 2:

Can our dead speak to us?

Explain Modern Spiritism

Answer:

Support your answer with Scriptures.

- **Read the text and draw your answers**

“The doctrine of man’s consciousness in death, especially the belief that spirits of the dead return to minister to the living, has prepared the way for modern spiritualism. If the dead are admitted to the presence of God and holy angels, and privileged with knowledge far exceeding what they before possessed, why should they not return to the earth to enlighten and instruct the living? If, as taught by popular theologians, spirits of the dead are hovering about their friends on earth, why should they not be permitted to communicate with them, to warn them against evil, or to comfort them in sorrow? How can those who believe in man’s consciousness in death reject what comes to them as divine light communicated by glorified spirits? Here is a channel regarded as sacred, through which Satan works for the accomplishment of his purposes. The fallen angels who do his bidding appear as messengers from the spirit world. While professing to bring the living into communication with the dead, the prince of evil exercises his bewitching influence upon their minds.”

The Great Controversy, 551.
