- Establish the Connection Between the Rejection of the Biblical Calendar in 1888 to World War I

Read This Quote

- “Had Adventists, after the great disappointment in 1844, held fast their faith and followed on unitedly in the opening providence of God, receiving the message of the third angel and in the power of the Holy Spirit proclaiming it to the world, they would have seen the salvation of God, the Lord would have wrought mightily with their efforts, the work would have been completed, and Christ would have come ere this to receive His people to their reward. But in the period of doubt and uncertainty that followed the disappointment, many of the advent believers yielded their faith.... Thus the work was hindered, and the world was left in darkness. Had the whole Adventist body united upon the commandments of God and the faith of Jesus, how widely

different would have been our history! It was not the will of God that the coming of Christ should be thus delayed. God did not design that His people, Israel, should wander forty years in the wilderness. He promised to lead them directly to the land of Canaan, and establish them there a holy, healthy, happy people. But those to whom it was first preached, went not in “because of unbelief.” Evangelism, 696.
