Worst-Case Scenario In the Court of Law – Please Read

- “The New World Religion is now in place under the New World Order Government and it is now a crime worthy of death to teach doctrines other than those approved by the New World Religion.
- You have been charged with the crime of teaching false doctrines and you must appear before the New World Order Court for your beliefs.”

- **First Charge Against you**

- *The Roman Catholic Church is charging you with defamation for speaking against their Holy Order.*

- **Your Defense: Precedent**

- *Review the History of the Roman Catholic Church and the First Sunday Law in 321 – 325 AD.*

“It was in behalf of the Sunday, that popery first asserted its arrogant claims; and its first resort to the power of the State was to compel the observance of Sunday as “the Lord’s day.” The Great Controversy, 446.

“As the sign of the authority of the Catholic Church, papist writers cite, “the very act of changing the Sabbath into Sunday, which Protestants allow of, because by keeping Sunday strictly they acknowledge the church’s power to ordain feasts, and to command them under sin.” [“Abridgment of Christian Doctrine.”] What then is the change of the Sabbath, but the sign or mark of the authority of the Romish Church—“the mark of the beast”?”

The Great Controversy, 448.

- **Your Defense: Future Application**

“When the leading churches of the United States, uniting upon such points of doctrine as are held by them in common, shall influence the State to enforce their decrees and to sustain their institutions, then Protestant America will have formed an image of the Roman hierarchy, and the infliction of civil penalties upon dissenters will inevitably result.

The beast with two horns “causeth [commands] all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their

foreheads; and that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.” [Revelation 13:16, 17]. The third angel’s warning is, “If any man worship the beast and his image, and receive his mark in his forehead, or in his hand, the same shall drink of the wine of the wrath of God.” “The beast” mentioned in this message, whose worship is enforced by the two-horned beast, is the first, or leopard-like beast of Revelation 13,—the papacy. The “image to the beast” represents that form of apostate Protestantism which will be developed when the Protestant churches shall seek the aid of the civil power for the enforcement of their dogmas.” The Great Controversy, 445.

- **Second Charge Against you**
 - *There is no precedent in history of a Sunday Law bringing trouble on the earth.*
- **Your Defense – Precedent**
 - *A decree issued by Constantine in 321 AD and enforced in 325 AD made Sunday a public festival throughout the Roman Empire.*
- “In the early part of the fourth century, the emperor Constantine issued a decree making Sunday a public festival throughout the Roman Empire. The day of the sun was revered by his pagan subjects, and was honored by Christians; it was the emperor’s policy to unite the conflicting interests of heathenism and Christianity....

In the sixth century the papacy had become firmly established. Its seat of

power was fixed in the imperial city, and the bishop of Rome was declared to be the head over the entire church. Paganism had given place to the papacy. The dragon had given to the beast “his power, and his seat, and great authority.” [Revelation 13:2] And now began the 1260 years of papal oppression foretold in the prophecies of Daniel and the Revelation. [Daniel 7:25; Revelation 13:5-7.” The Great Controversy, 53, 54.

- **Your Defense – Future Application**

- *Sunday Laws are soon to be enforced and bring the end of all things on this earth.*

“The enforcement of Sunday-keeping on the part of Protestant churches is an enforcement of the worship of the papacy—of the beast. Those who, understanding the claims of the fourth commandment, choose to observe the false instead of the true Sabbath are thereby paying homage to that power by which alone it is commanded. But in the very act of enforcing a religious duty by secular power, the churches would themselves form an image to the beast; hence the enforcement of Sunday-keeping in the United States would be an enforcement of the worship of the beast and his image. When Sunday observance shall be enforced by law, and the world shall be enlightened concerning the obligation of the true Sabbath, then whoever shall transgress the command of God, to obey a precept which has no higher authority than that of Rome, will thereby honor popery above God.

He is paying homage to Rome, and to the power which enforces the institution ordained by Rome. He is worshiping the beast and his image. As men then reject the institution which God has declared to be the sign of his authority, and honor in its stead that which Rome has chosen as the token of her supremacy, they will thereby accept the sign of allegiance to Rome—“the mark of the beast.” And it is not until the issue is thus plainly set before the people, and they are brought to choose between the commandments of God and the commandments of men, that those who continue in transgression will receive “the mark of the beast.” The Great Controversy, 449.
