

GOSPEL MEDICAL MISSIONARY EVANGELISM

SETTING IN OPERATION A MIGHTY MOVEMENT

“The closing message of the gospel is to be carried to “every nation, and kindred, and tongue, and people.” Revelation 14:6. In foreign countries many enterprises for the advancement of this message must yet be begun and carried forward. The opening of hygienic restaurants and treatment rooms, and the establishment of sanitariums [better living centers] for the care of the sick and the suffering, is just as necessary in Europe as in America. In many lands, medical missions are to be established to act as God’s helping hand in ministering to the afflicted.

The work in the cities is the essential work for this time, and is now to be taken hold of in faith. When the cities are worked as God would have them, the result will be the setting in operation of a mighty movement such as we have not yet witnessed. May the Lord give wisdom to our brethren that they may know how to carry forward the work in harmony with His will. With mighty power the cry is to be sounded in our large centers of population: “Behold, the Bridegroom cometh; go ye out to meet Him.” Medical Ministry, 330

“I am instructed to say to health-reform educators, Go forward. The world needs every jot of the influence you can exert to press back the tide of moral woe. Let those who teach the third angel’s message stand true to their colors. “I beseech you therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service. And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God.” Romans 12:1, 2.” Counsels on Health, 444

PIONEER WORK OF THE GOSPEL

“God often reaches hearts through our efforts to relieve physical suffering. Medical missionary work is the pioneer work of the gospel. In the ministry of the word and in the medical missionary work the gospel is to be preached and practiced.” Ministry of Healing, 144

A FIELD OF LABOR ANYWHERE

“As religious aggression subverts the liberties of our nation, those who would stand for freedom of conscience will be placed in unfavorable positions. For their own sake, they should, while they have opportunity, become intelligent in regards to disease, its causes, prevention, and cure. And those who do this will find a field of labor anywhere. There will be sufferings ones, plenty of them, who will need help, not only among those of our own faith, but largely among those who know not the truth.” Counsels on Health, 506

“Soon there will be no work done in ministerial lines but medical missionary work.” Counsels on Health, 533

“The health reform... is a part of the third angel’s message and is just as closely connected with it as are the arm and hand with the human body.” Testimonies for the Church, Volume 1, 486

“He took our infirmities and bare our sicknesses.” Matthew 8:17

Part 4

CHRIST'S METHOD ALONE GIVES TRUE SUCCESS

“Our Lord Jesus Christ came to this world as the unwearied servant of man's necessity. He “took our infirmities and bare our sicknesses” that He might minister to every need of humanity. (Matthew 8: 17). The burden of disease and wretchedness and sin He came to remove. It was His mission to bring to men complete restoration; He came to give them health and peace and perfection of character...

On so large a scale did He conduct His work of healing and teaching that there was no building in Palestine large enough to receive the multitudes that thronged to Him. On the green slopes of Galilee, in the thoroughfares of travel, by the seashore, in the synagogues, and in every other place where the sick could be brought to Him, was to be found His hospital.

During His ministry, Jesus devoted more time to healing the sick than to preaching.

The world needs today what it needed (two thousand) years ago - a revelation of Jesus Christ. A great work of reform is demanded, and it is only through the grace of Christ that the work of restoration, physical, mental and spiritual, can be accomplished.

Christ's method alone will give true success in reaching the people. The Saviour mingled with men as one who desired their good. He showed His sympathy for them, ministered to their needs, and won their confidence. Then He bade them, “Follow me.”
