“Those who honor the Bible Sabbath will be denounced as **enemies of law and order**, as breaking down the moral restraints of society, causing anarchy and corruption, and calling down the judgments of God upon the earth. Their conscientious scruples will be pronounced obstinacy, stubbornness, and contempt of authority. They will be accused of disaffection toward the government.”

“**Liberty of conscience**, which has cost so great a sacrifice, will no longer be respected. CALENDAR COUNTERFEIT UNMASKED

“Up until the **Council of Nicaea [AD325]**, the Christian... [Pascha], especially in the East, had been celebrated for the most part at the time of the Jewish Passover, and ‘indeed upon the days **calculated and fixed**’ by the Sanhedrin in Judaea for its celebration. **On the contrary, in Europe**, ‘some earlier, some later were intercalating the months... the Europeans were placing their cycle at the equinox, and were **celebrating the Passover on the next full moon after the equinox....**’

These contentions had agitated the church since the time of the Roman bishop Victor who had persecuted the church of Asia for following the ‘**14th day heresy**,’ as they called it, in reference to the **Passover**. But at the Council of Nicaea, ‘the **last thread was snapped** which connected Christianity with its parent stock.’ [Judaism]. The future Easter observance was to be rendered independent of Jewish calculation according to these words, which have been attributed to **Emperor Constantine**: ‘Henceforward let us have nothing in common with this odious people; our Saviour has shown us the path. It would indeed be absurd if the Jews were able to boast that we are not in a position to celebrate the **Passover** without the aid of their rules.’

In the subsequent years, the Jews went through ‘iron and fire.’ The Christian emperors **forbade the Jewish computation of the calendar**, and did not allow the announcement of the feast days. The immediate consequence was the **fixation and calculation of the Hebrew calendar** by Hillel II, who (AD 359) placed above the dignity of the Patriarchate, the unity and cohesion of the scattered Jewish communities, to whom he made known the secret of Jewish reckoning.

The **decree of Nicaea** ‘destroyed the Temple of the Law of Judea,’ as it were, and the ancient regulation of Moses for harmonizing the course of the **moon** with that of the **sun** was ultimately **replaced** by calculations involving the **vernal equinox**. From this equinoctial point [March 21], the [Roman Catholic] church built up **her ecclesiastical calendar** and it's Easter Feast. It is easy to gloss over the real significance of the Council of Nicaea.

...In the end, it turned out that both the Jewish and Roman Catholic festivals came to be computed from the same point of time -- the vernal equinox.” [Based on the **luni-solar calendar** and the **vernal equinox** instead of barley] and it is a **feature of the modern Jewish calendar of today**. [1700 years of lies]” Grace Amadon Collection, Crucifixion, Part V, 16 - 31, excerpts (Emphasis supplied).

“And he [Lucifer] thinks to change times [calendar] and laws.” Daniel 7:25.

TWO GREAT ERRORS

“Through the two great errors, the **immortality of the soul and Sunday sacredness**, Satan will bring the people under his deceptions. While the former lays the foundation of spiritualism, the latter creates a **bond of sympathy with Rome**. The Protestants of the United States will be foremost in **stretching their hands across the gulf to grasp the hand of spiritualism**; they will reach over the abyss to **clasp hands with the Roman power**; and under the influence of this threefold union, this country will follow in the steps of Rome in **trampling on the rights of conscience**.”

As spiritualism more closely imitates the nominal Christianity of the day, it has greater power to deceive and ensnare. Satan himself is converted, after the modern order of things. He will appear in the character of an angel of light. Through the agency of spiritualism, **miracles will be wrought, the sick will be healed**, and many undeniable wonders will be performed. And as the spirits will profess faith in the Bible, and manifest respect for the institutions of the church, their work will be accepted as a manifestation of divine power.

While appearing to the children of men as a great physician who can heal all their maladies, **he will bring disease and disaster, until populous cities are reduced to ruin and desolation**. Even now he is at work. In accidents and calamities by sea and by land, in great conflagrations, in fierce tornadoes and terrific hailstorms, in tempests, floods, cyclones, tidal waves, and earthquakes, in every place and in a thousand forms, Satan is exercising his power.” The Great Controversy, Chapter 36, excerpts (Emphasis supplied).

JEHOVAH'S CALENDAR HAS BEEN CHANGED

“From the time of the Nicaean decree until the present day, it has been passed on from generation to generation that the Jewish Passover ‘was at the first full moon after the equinox of spring.’ The tables of the **modern Jewish calendar** follow this plan. Many **historians**, both ancient and modern, have taken it for granted that the Jews had always kept their Passover at this time, and that such was therefore the case in the days of Christ.

The Karaites who closely adhered to the Sadducean literature, and represent a **pre-rabbinical view** of the Mosaic Law, apparently have been the chief opponents to this ruling. Their prolonged polemic with the Rabbanites in the **eighth and ninth centuries** is evidence that such regulation of the Jewish Passover was not the original precept of Moses. This far-reaching influence of the Karaite teaching made itself felt upon the... [Advent Movement] in 1844.

Since the original Mosaic Law -- not the Mishnaic or Talmudic reflection of it -- involved a **barley harvest paschal moon instead of an equinoctial moon**, the question naturally arises as to **when** this change was made, and **how** it came about? In the Jewish period following the destruction of Jerusalem, the Sanhedrin at Jamnia ‘became the heart of the Jewish nation.’ The Jewish calendar had not yet been ‘permanently fixed’, and had to be **regulated** from time to time.

At that time, the festivals were still dependent ‘upon the course of the **moon**, and upon the influence of the **sun** on the **harvests**.’ Every two or three years the solar year exceeded the lunar by about a month, and a month was inserted, making a **leap year** of thirteen months. This ‘intercalary month was announced by the Patriarch in a circular letter to the community.’

About fifty days before the Passover, witnesses examined the state of the **barley** to determine if it would be ripe in time for the feast. Since the days of Moses, the **maturity of the barley** had been a determining factor in regulating the Jewish year [firstfruits - waved sheaf of barley - Leviticus 23:15].” The Grace Amadon Collection, Crucifixion Date, Part V, excerpts (Emphasis supplied).

“And worship Him that made heaven and earth and the sea...” Revelation 14:7

Part 5

RELIGION OF FABLE AND TRADITION

“In seeking to cast contempt upon the divine statutes, Satan has perverted the doctrines of the Bible, and errors have thus become incorporated into the faith of thousands who profess to believe the Scriptures. The last great conflict between truth and error is but the final struggle of the long-standing controversy concerning the law of God. Upon this battle we are now entering—a battle between the laws of men and the precepts of Jehovah, between the religion of the Bible and the religion of fable and tradition.

The agencies which will unite against truth and righteousness in this contest are **now actively at work**. God’s holy word, which has been handed down to us at such a cost of suffering and blood, is but little valued. The Bible is within the reach of all, but there are few who really accept it as the guide of life. Infidelity prevails to an alarming extent, not in the world merely, but in the church. Many have come to deny doctrines which are the very pillars of the Christian faith.

The great facts of creation as presented by the inspired writers, the fall of man, the atonement, and the **perpetuity of the law of God**, are practically rejected, either wholly or in part, by a large share of the professedly Christian world. Thousands who pride themselves upon their wisdom and independence regard it as an evidence of weakness to place implicit confidence in the Bible; they think it a proof of superior talent and learning to cavil at the Scriptures and to **spiritualize and explain away their most important truths**. Many ministers are **teaching** their people, and many professors and teachers are instructing their students, that **the law of God has been changed or abrogated**; and those who regard its requirements as still valid, to be literally obeyed, are thought to be deserving only of ridicule or contempt.

In rejecting the truth, men reject its Author. In trampling upon the law of God, they deny the authority of the Law-giver. It is as easy to make an **idol of false doctrines and theories** as to fashion an idol of wood or stone. By misrepresenting the attributes of God, Satan leads men to conceive of Him in a false character.”

The Great Controversy, Chapter 36, excerpts (Emphasis supplied)
