Results of Rejecting the Blotting Out of Sins

1. “Those who reject the "blotting out of sins" have ultimately rejected the very essence of **sanctuary truths** leaving a skeleton without heart or life.
2. They have rejected the positive aspect of the **third angel's message**. If they reject that positive element of the message, they will also reject the negative warning against the "beast" and his "mark" of authority.

3. They will have cut themselves off from the light of heaven, and will be unprepared to receive the **Seal of the living God**.
4. They will claim that **1844** was a "non-event." They will consider the **2300 timeline** a mere exercise in mathematics.
5. A study of the **sanctuary** will be a matter of counting boards and sockets, enumerating furniture, and the great question will be whether there are two compartments or one and whether anything in heaven is literal or to be spiritualized away.
6. A defense theology of the historic positions on **Daniel 8:14**, without a personal application of the "blotting out of sin" to the present and the future, is as pointless as was the Pharisaical theology of the Jews who preached of a Messiah, but could not recognize Him in the Person of Jesus of Nazareth.
7. Such "adventism" **becomes** one more entity of **ecumenical Babylon** without purpose or destiny.
8. "**The hour of his judgment is come**" is a meaningless celebration of an endless millennium of pseudo-Christianity in a self-destructing world." How to Survive the Seven Last Plagues, p. 34.

- **Question 1.**

Review the **8** Results or Consequences of rejecting the "Blotting out of sins" in the sanctuary above?

- **Question 2. – Read and Ask the Questions**

"The plan of redemption had a yet broader and deeper purpose than the salvation of man. It was not for this alone that Christ came to the earth; it was not merely that the inhabitants of this little world might regard the law of God as it should be regarded; but it was to vindicate the character of God before the universe." Patriarchs and Prophets, p. 68.

That Plan of Redemption includes the preparation of living witnesses, the 144000 in number, to vindicate the Character of God according to Isaiah 43:7, 9 -11, 25 – during the **Blotting out of sins** which will occur for the Living 144000 while Christ is still in the Most Holy Place, the Seal of the Living God, followed by the Close of Probation and the Seven Last Plagues.

"His Judgment has Come."

- Whose Judgment is it? Is it not the Heavenly Father who is on trial?
- Is He not accused by Satan that His Law cannot be obeyed?

- **Question 3**

Can you reconcile the Blotting out of sins with the Seal of the Living God, the 144000, the Close of Probation and the Seven Last Plagues?

“The counsels of the Spirit of prophecy, coupled with the sanctuary light-which but confirmed the 7th month movement key dates – kept the Sabbathkeeping Adventists from the time-setting pitfalls of the non-Sabbathkeeping Adventists around them. Back in 1850, when the leading post-time-setting agitation for the year 1854 was on – involving the repudiation of all three key dates and the abandonment of principles that had been steadfastly maintained up until the Disappointment, Mrs. White plainly wrote: “The Lord showed me that time had not been a test since 1844, and that time will never again be a test.” Present Truth, Paris, Maine, Nov., 1850, p. 87 – Part III – October 22 1844 and the Aftermath, 8.

- **Question 1.**

How are you personally settled into the truth of October 22 1844 as the Great Day of Atonement of the 10th of the seventh month according to Leviticus 23:27-32? – Could you explain how it was reached using the Luni-Solar Barley Harvest New Moon Horned Crescent Biblical Calendar the Millerites restored for us? Ask for witnesses who believe in October 22 1844.

After much prayers and study of the Rules of Correspondence submitted by Elder Wood on Synchronism and Chronology on the book of Ezekiel and additional ones on 457 BC found in Part IV – Date of the Decree to Restore Jerusalem – 1939, it became possible to add more Synchronism and Chronology to his research, using the KJV Bible and dates in history, for a total of 77 Synchronism and Chronology connected with 457 BC.

- **Question 1.**

Are you aware that Synchronism (Event) and Chronology (Time) are the keys to discover the validity of Genealogy found in Genesis 5 and 11, the Flood in Genesis 7 and 8, the books of Kings for example and many more in both the Old and New Testament?

Note – Please Read

The secret is to learn the Rules of Correspondence. It is a science just like mathematic or chemistry and though it demands time, it is a revelation of our Exceptional Creator’s Mind and Divine Intelligence. All the major and minor prophets from Isaiah to Malachi have a certain connection with the prophecy of Daniel 8 and 9 and the 2300 day of year, throughout their writings. Ezra, Nehemiah and Esther were also connected with the important date of **457 BC**. This date and the platform divinely design to reach it, as the Spirit of Prophecy mentions, along with October 22, 1844 as the 10th day of the 7th Biblical Month, the Day of Atonement that year is immovable.

Moving a Block or Stirring a Pin

“I saw a company who stood well guarded and firm, giving no countenance to those who would unsettle the established faith of the body. God looked upon them with approbation. I was shown three steps, the first, second, and third angels’ messages. Said my accompanying angel, “Woe to him who shall move a block or stir a pin of these messages. The true understanding of these messages is of vital importance. The destiny of souls hangs upon the manner in which they are received.” I was again brought down through these messages, and saw how dearly the people of God had purchased their experience. It had been obtained through much suffering and severe conflict. God had led them [the Millerites] along step by step, until He had placed them upon a solid, immovable platform.

I saw individuals approach the platform and examine the foundation. Some with rejoicing immediately stepped upon it. Others commenced to find fault with the foundation. They wished improvements made, and then the platform would be more perfect, and the people much happier. Some stepped off the platform to examine it and declared it to be laid wrong. But I saw that nearly all stood firm upon the platform and exhorted those who had stepped off to cease their complaints; for God was the Master Builder, and they were fighting against Him. They recounted the wonderful work of God, which had led them to the firm platform, and in union raised their eyes to heaven and with a loud voice glorified God. This affected some of those who had complained and left the platform, and they with humble look again stepped upon it.”
Early Writings, 258, 259.

"The Jewish [Jerusalem and not Babylon new moons] that is, the new moons that marked the first day of the month, commonly exceeded the ordinary "size of the phasis," or first appearance of the moon. While the Greeks started their month from the conjunction itself, it was a certain "shape of the moon" that regulated the beginning of the Jewish month. Scaliger sometimes called it the "**horned moon**." Part V - Crucifixion Date - Astronomical Soundness of October 22, Pages 9, 10.

- **Question 1.**

Did you know that the **New Moon Horned Crescent** must be used to ascertain the Feast of Passover on the 14th of the First Month accurately?

Why is the New Moon Horned Crescent Extremely Important

Using the Conjunction or the First Visible Crescent will alter the reckoning of the Passover and all the other Spring and Fall Feasts including the Seventh-day Sabbath. The New Moon Horned Crescent is a Rule of Correspondance established by the Creator of Heaven and Earth.

"And from one new moon to another, and from one sabbath to another shall all flesh come to worship before me, saith the LORD." Isaiah 66:23.
