- Questions to be directed to the Connection between the Everlasting Covenant, the Spirit of Prophecy and the upcoming Sunday Laws.
- “It is not without reason that the claim has been put forth in Protestant countries, that Catholicism differs less widely from Protestantism than in former times. There has been a change; but the change is not in the papacy. Catholicism indeed

resembles much of the Protestantism that now exists, because Protestantism has so greatly degenerated since the days of the reformers. As the Protestant churches have been seeking the favor of the world, false charity has blinded their eyes. They do not see but that it is right to believe good of all evil; and as the inevitable result, they will finally believe evil of all good. Instead of standing in defense of the faith once delivered to the saints, they are now, as it were, apologizing to Rome for their uncharitable opinion of her, begging pardon for their bigotry.”
The Great Controversy, 571.
