- **Seventy-Third Evidence:**
 - **Subject 73 – 40 min.**
 - **Vindication – We are On Trial – Blotting out of Sin in Daniel**
We are Guilty – We Need the Blotting Out of our Sin

- **Please Read – Comment – Answer the Questions**

- “The judgment scene teaches that man comes to judgment still defective in character because of the inherited tendencies to sin. Because of this condition he must trust in the substitutionary righteousness of Christ placed to his account at the judgment. The blotting out of sin removes the inherited tendencies in order that man may live without a substitute.

This work of character perfection must be done while Jesus is in the most holy place, not at the second coming.

- In studying the Day of Atonement ceremony it can be demonstrated that this service teaches us how and when God will bring us to perfection. The finishing of the work that God started at conversion is completed in the yearly service. In the previous chapters it was discovered that conversion was a change of nature. Hereditary tendencies to evil were changed. The new heart is a change of desires. The old habits have a desire for self. Conversion changes these desires for self and gives new desires. These new desires are unselfish and create a tendency toward unselfishness.
- It was discovered that these hereditary tendencies are what give a Christian a defective character. God says that we need not retain one sinful propensity. This section attempts to demonstrate that the ministry of Christ in the most holy place finishes the removal of these sinful propensities. This work was started at conversion and will be finished at the final atonement.
- "The coming of Christ as our high priest to the most holy place, for the cleansing of the sanctuary, brought to view in Daniel 8:14; the coming of the Son of man to the Ancient of Days, as presented in Daniel 7:13; and the coming of the Lord to His temple, foretold by Malachi, are descriptions of the same event; and this is also represented by the coming of the bridegroom to the marriage, described by Christ in the parable of the ten virgins, of Matthew 25." The Great Controversy, 426.
- "In the parable of Matthew 22 the same figure of the marriage is introduced..." The Great Controversy, 428 This is a very helpful passage because it gives us five different reference points. Daniel 8:14 can be studied and then the findings compared with each of the other texts that were mentioned. Since they are all descriptions of the same event, our conclusions should all tell the same story. As the following statement is read notice carefully what the actual cleansing of the sanctuary is. Also notice the relationship of the investigative judgment to the cleansing of the sanctuary. – **10** min.
- **Question 1.**
Connect the Investigative Judgment, Cleansing of the Sanctuary, Blotting out of Sin in Daniel 7:13, 8:14 and the Marriage in Matthew 22? – **15** min.

- **Question 2.**

How do these quotes aim towards perfection of character and the At-One-Ment or Marriage of the Bridegroom and the Bride? – **15** min.

Evidence to Establish that God is NOT GUILTY – God’s Final Witnesses

Vindication: We are On Trial – Prophecy of Daniel 12 – 1260 – 1290 – 1335 Days

- Questions asked by the Chairperson – or Lawyer to the **144000 Teachers**
- The Chairperson or Lawyer can add arguments to counteract the answers given
- **Seventy-Fourth Evidence:**
 - **Subject 74** – **50** min.
 - **Vindication – Spirit of Prophecy – The Warning in Daniel 12**
Prophecy of Daniel for the Last Days – The Vision Does Not Lie
 - **Warning** – “Let us **read** and study the 12th chapter of Daniel. It is a warning that we shall all need to understand before the time of the end.”
E.G. White Letter 161, 1903.
 - “In every age there is a new development of truth, a message of God to the people of that generation. The old truths are all essential; new truth is not independent of the old, but an unfolding of it. It is only as the old truths are understood that we can comprehend the new. When Christ desired to open to His disciples the truth of His resurrection, He began "at Moses and all the prophets" and "expounded unto them in all the Scriptures the things concerning Himself." Luke 24:27. But it is the light which shines in the fresh unfolding of truth that glorifies the old. He who rejects or neglects the new, does not really possess the old. For him it loses its vital power and becomes but a lifeless form.” Christ’s Object Lessons, 127, 128.
 - “Just prior to 1844, one prophetic timeline of Scripture-Daniel 8:14, took precedence over all others. Not that it was more important than other elements of the gospel, but its time had come. The object of this book is to reveal that in like manner, the prophetic timelines of Daniel 12:7-13 now take priority because their time has come to speak to the last generation.

- The Daniel 8:14 prophetic timeline warned that 1844 generation of the beginning of the Investigative Judgment. This study shows that the Daniel 12:7-13 timelines warn the last generation of events connected with the ending of the Investigative Judgment;
- Whereas the Daniel 8:14 timeline announced the beginning of the Investigative Judgment of the dead in 1844, the Daniel 12:7-13 timelines announce the Investigative Judgment of the living.
- The Daniel 8:14 timeline did not give a date for the coming of Jesus and the Daniel 12:7-13 timelines do not give date, day nor hour of His coming.
- But all of these timelines of Chapter 8 and 12 are warnings concerning the Investigative Judgment and events connected with close of probation. Regarding events connected with the 1844 timeline, the prophet wrote: "it was needful that men should be awakened to their danger; that they should be aroused prepare for the solemn events connected with the close of probation." The Great Controversy, 310."
- The Daniel 12:7-13 timelines are intended to rouse the last generation to prepare for the solemn events connected with the close of probation for the Church and the world. The three timelines of Daniel 12 do not give the date for the close of probation nor Christ's coming but are a delineation of events connected with them." Warning, The Author's Foreword, VIII – IX.

God is On Trial – The Hour of His Judgment is Come

Evidence to Establish that God is NOT GUILTY – God’s Witnesses

Vindication: Let the Millerites Speak – Calculating the Day of Atonement in 1844

- Questions asked by the Chairperson – or Lawyer to the **144000 Teachers**
- The Chairperson or Lawyer can add arguments to counteract the answers given.

• **Seventy-Sixth Evidence:**

- **Subject 76 – 45 min.**

- **Vindication – Let the Millerites Speak – Day of Atonement 1844**
Presenting the Witnesses – Complex but Not Complicated

- **Problem: When to Start the Month?**

“There is a dispute between the Rabbinical, and the Karaite Jews, as to the correct time of commencing the year. The former are scattered all over the world, and cannot observe the time of the ripening of that harvest in Judea. They therefore regulate the commencement of the year by astronomical calculations, and commence with the first day of the new moon nearest the vernal equinox, when the sun is in Aries. The Karaite Jews on the contrary, still adhere to the letter of the Mosaic law, and commence with the new moon nearest the barley harvest in Judea; and which is one moon later than the Rabbinical year.”

- “The practical importance of this question can scarcely be overestimated in its effect upon the advent movement, for if this beginning month is not correctly timed, then every succeeding festival, including the Day of Atonement, is dislocated from its divinely appointed place.”
- “The Rabbanite calendar is therefore rejected by the Millerites as neither Biblical nor astronomically accurate as pertains to the new year, the passover, and the Day of Atonement....Parallel listings of both calculations of the "movable" Atonement feast ultimately appear in the Midnight Cry, tabulating September 23 for the Rabbanite date, and October 22 for the Karaite date, in the year 1844.” – Pages **6, 7, 9**

<https://144000teachers.org/wp-content/uploads/2022/02/gac-RC-Report-Part-II.pdf>

- **Note:** To this day the Rabbinical Jews’ calculation of the Spring and Fall Feasts is based on the **Vernal Equinox**. The difference in calculation according to the Millerites’ based calculation of the Karaite – Hebrew **Barley Harvest** method is very evident this year 2026, an embolismic year of 13 months. The Rabbinical Jews’ spring and fall Feasts were one month earlier this year based on the Equinox compared to the Barley Harvest method leading to the October 22 2026 as the Day of Atonement of October 22 1844.
- ‘Every Biblical day, extending from sunset to sunset, includes parts of two civil Gregorian days, which are counted from midnight to midnight.’
- The reckoning is from sunset of the 22nd to the sunset of the 23rd of October 1844/2026 starting with October 13th as the New Moon Horned Crescent and bringing us to October 22nd at sunset beginning the 10th Day of the 7th Month. – **10** min.
- **Question 1.**
Applying the principle: Every Biblical day, extending from sunset to sunset, includes parts of two civil Gregorian days counted from midnight to midnight:
