- **Read and Discuss these Quotes:** – **15** min.

"Where once was written only the *character of God, the knowledge of good*, was now written also the *character of Satan, the knowledge of evil*." Education, p. 26.

"The infinite value of the sacrifice required for our redemption reveals the fact that sin is a tremendous evil. Through sin the whole human organism is deranged, the mind is perverted, the imagination corrupted. Sin has degraded the faculties of the soul. Temptations from without find an answering chord within the heart, and the feet turn imperceptibly toward evil." Ministry of Healing, p. 451.

"The result of the eating of the tree of knowledge of good and evil is manifest in every man's experience. There is in his nature a bent to evil, a force which, unaided, he cannot resist. **To withstand this force, to attain that ideal which in his inmost soul he accepts as alone worthy, he can find help in but one power. That power is Christ. Co-operation with that power is man's greatest need.**" Education p. 29.

"It is a law both of the intellectual and the spiritual nature, that by beholding, we become changed. The mind gradually adapts itself to the subjects upon which it is allowed to dwell. It becomes assimilated to that which it is accustomed to love and reverence. Man will never rise higher than his standard of purity or goodness or truth. If self is his loftiest ideal, he will never attain to anything more exalted. Rather, he will constantly sink lower and lower. **The grace of God alone has power to exalt man. Left to himself, his course must inevitably be downward.**" The Great Controversy, p. 555.

- **Second Step** – To withstand this force, to attain that ideal which in his inmost soul he accepts as alone worthy, he can find help in but one power. **That power is Christ.** Co-operation with that power is man's greatest need.
